

INTERVENTION COMPANY THAT **COMMANDS RESULTS!**

## TERMS OF SERVICE – BOOTCAMP TRAININGS

### Math and Science Bootcamp Training

#### Description of Services

Educational Bootcamp offers comprehensive training programs in Math and Science methodologies. These programs are designed to enhance educators' effectiveness in delivering intervention strategies for math and science, leading to improved student performance. Our training sessions cater to educators at various levels and are delivered through live webinars and in-person sessions for science, and pre-recorded sessions for mathematics.

#### Effectiveness of Training

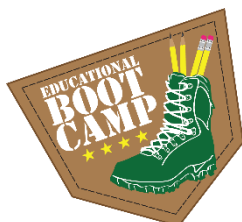

Our data consistently shows that schools participating in Educational Bootcamp training sessions experience significant improvements in math and science scores. We track the number of schools each year that report increased scores after implementing our methodologies. The evidence strongly indicates that our training sessions are pivotal in enhancing teachers' effectiveness and improving student outcomes.

### Science Bootcamp Training

The Science Bootcamp program is particularly effective when teachers have participated in our training sessions. This highlights the critical role of our training programs in maximizing the impact of the Science Bootcamp curriculum.

#### Webinar and Pre-Recorded Trainings

Educational Bootcamp offers live webinars for science training, providing educators with By participating in Educational Bootcamp training sessions, educators acknowledge and agree to abide by these terms of service.
